**Instructions**

Listed below are statements that someone might use to describe him or herself. Please read each statement and decide how well it describes you. When you are not sure, base your answer on what you emotionally *feel*, not on what you *think* to be true.

If you desire, reword the statement so that it would be *even more accurate* in describing you (but do not change the basic meaning of the question).

Then choose the *highest rating from 1 to 6* that describes you (with your revisions), and write the number in the white box to the left of each statement.

**Example**

A.	4	I worry that people <i>I care<sup>^</sup>about</i> will not like me.
